DISTINCTIVE ARMS BY STANDARD

The arms illustrated herein definitely prove STANDARD Supremacy in this specialty. Our exhaustive understanding speaks with conviction in the ensuing pages.

We specialize in all types of arms, and have a complete, unlimited line of arms for the Fixture, Lamp, and Novelty Trades. We furnish the Lamp, and Lighting Fixture Trade with numerous designed and styled arms, either from your blue prints, sketches, or ideas.

We will be glad to quote on all arms as per illustration, or with any type of tubing, Reeded, Rope, etc.

We manufacture a complete line of Brass and Steel pipe nipples from 1/8 O.D., 1/4 O.D., inclusive.

When ordering arms, specify the NUMBER of the ARM, size of HOLE or bottom of BODY or turning, 1/8 I.P., 1/4 I.P., etc. ALSO SPECIFY what type of body preferred, Regular Body, Small Round Body, Large Round Body, etc. and With or Without Switch Hole.

All Arms in this catalogue can be had with or without 3/8 Brass Ext., Brass Rings, Casted Loops, or Finials.

*** PLEASE NOTE ***

Standard has built a reputation on quality of its workmanship and the promptness of its deliveries.
